The CES sample is drawn from QCEW. QCEW collects employment and wage data for all employers covered by state Reemployment Assistance law and Federal workers covered by the Unemployment Compensation for Federal Employees (UCFE) Program.

CES is a monthly survey of businesses that primarily measures nonagricultural jobs and hours and earnings by industry, by place of work.

Over 14,000 employers are surveyed in Florida. Estimates are revised both monthly and annually.

CES produces monthly nonagricultural estimates for Florida and 24 metropolitan areas.
