# OUR MISSION

The mission of the Bureau of Workforce Statistics and Economic Research (WSER) is to Produce, Analyze and Deliver Economic Data to Improve Decision-Making.

## MONTHLY DATA RELEASE

Visit our website each month to find the latest labor force and job creation statistics.  
[FloridaJobs.org/WSER/Latest-Statistics](http://FloridaJobs.org/WSER/Latest-Statistics)

## STATISTICAL PROGRAMS

### Quarterly Census of Employment and Wages (QCEW)

Employment and wages by industry based on all employers covered by Unemployment Insurance.

### Current Employment Statistics (CES)

Employment, hours and earnings by industry based on a sample of employers.

### Local Area Unemployment Statistics (LAUS)

Labor force, employment and unemployment rates based on a survey of households and a statistical model.

### Occupational Employment Statistics (OES)

Employment and wages by occupation based on a sample of employers.

### Employment Projections (EP)

Future employment levels by industry and occupation.

### Florida Census Data Center

Data describing Florida's population and demographics.

## FLORIDIANS CAN COUNT ON US

Our statistics are the state's most important economic indicators. Our data isn't just numbers, it's people. With our statistics, individuals and businesses can make informed decisions about their careers, the economy and their investments. We produce timely and comparable data collected through employer surveys, econometric modeling and administrative records. We meet strict probability standards so our data can be utilized to make smart, strategic investments for Floridians.

## WSER PRODUCES QUALITY ECONOMIC DATA

WSER produces a wide range of data for public use including: Labor Force | Total Employment | Unemployment Rates | Projections

## WSER PROVIDES INSIGHTFUL ECONOMIC RESEARCH

We provide economic research services such as: Publications | Websites | Training | GIS Mapping | Economic Impact Analysis | Customized Reports By Request
